

# “Battle Cry of Freedom”

## Capturing the Drama of the Civil War

Favorite songs and melodies of the Civil War era (1861-1865) performed by Jim Janofski on musical instruments of the time.

Tunes such as  
“Battle Cry of Freedom”  
“Bonnie Blue Flag”  
“Northern Treachery”  
“Hard Times”  
speak volumes as to the firm determination of the armies in the conflict and show how music plays an important and exclusive role in showing the emotions of the times.
