Remember, contributions made to the Peter White Public Library can help you lower your income tax.

Here's how!

The Michigan tax code permits individuals to reduce their Michigan income tax with a credit of 50% of the amount contributed to a public library. The tax credit allows for up to 50% of a \$200 donation for an individual or 50% of a \$400 donation for a married couple filing jointly. Smaller amounts, of course, are always welcome and subject to the same credit.

This a tax credit. It comes off your tax after you have taken your deductions.

Your gift can also count as a charitable donation on your Federal income tax return if you itemize your deductions. Always consult your tax professional for advice on charitable donations.

**You are why the Peter White Public Library is one of the best libraries in the country.
Thank you.**
